FAQS

WHAT SIZES ARE AVAILABLE? 250ml

IS THERE MORE THAN 1 FRAGRANCE IN THE ARGAN BODY CREAM RANGE? There are six different fragrances in the argan body cream range to match the argan body wash range. Patchouli, geranium & ylang ylang, orange & grapefruit, coconut & lime, moroccan rose, frangipani and lemon blossom. silk offer a fragranced body cream to meet everyone's liking- in fact we are often praised for our sublime fragrances in this range

IS THE BODY CREAM HEAVY ON THE SKIN? No, it has a similar consistency to a body butter however offers great spreadability and easily absorbs into the skin leaving no heavy greasy or sticky feeling at all

CAN I USE THE BODY CREAM AS A FACIAL MOISTURIZER? You can, however we recommend you use the pure argan oil or argan antioxidant primer as a facial moisturiser as they are lighter and are formulated more for use on the face

WHAT SKIN TYPE IS THE BODY CREAM SUITABLE FOR? Body cream is suitable for all skin types to help soften and moisturise dry skin

WHAT ARE THE KEY INGREDIENTS IN THE BODY CREAM? It's all about adding moisture so the argan body creams are packed full of goodness- cold pressed certified organic argan oil, australian cold pressed macadamia, almond & olive fruit oils, natural vitamin e and certified organic aloe vera and shea butter all to provide skin with moisture and hydration. for different functions in the marketplace. Some good and some not so good. We only use silicone blends that are designed for cosmetic & haircare formulations that evaporate upon application and are water soluble once formulated into the Product

KEY INGREDIENTS

Cold Pressed Certified Organic Argan Oil - (Argania Spinosa Kernel Oil) is obtained from the fruit kernel of the Argan Tree. Rich in Vitamin E, antioxidants, omega-6 and omega-9 essential fatty acids all of which assist in keeping skin nourished and hydrated

Certified Organic Shea Butter - (Butyrospermum Parkii Butter) is the fat obtained from the fruit of the Shea Tree and assists with skin conditioning revitalising the appearance of dry, damaged skin

Certified Organic Aloe Vera - (Aloe Barbadensis Leaf Juice) is typically obtained from the leaves of the aloe plants and assists with skin conditioning enhancing the appearance of dry, damaged skin

Australian Cold Pressed Macadamia Oil - (Macadamia Ternifolia Seed Oil) is obtained from the nuts of the bushnut and assist with skin conditioning

Australian Cold Pressed Olive Fruit Oil - (Oleo Europaea Fruit Oil) is obtained from the ripe fruit and is high in Vitamin E and is known to moisturise dry skin

Australian Cold Pressed Almond Oil - (Prunus Amygdalus Dulcis Oil) is obtained by expressing oil from the ripe seed kernels of the Sweet Almond. It consists mainly of oleic and linoleic triglycerides and helps your skin look smooth and soft as well as assists in retaining moisture

Natural Vitamin E - (Tocopherol) acts as an antioxidant and assists with skin conditioning

Quality Fragrances - A beautiful blend of floral essential oils

Cetearyl Alcohol - is a fatty alcohol derived from natural sources such as plants, coconut and palm oils and is used as an emollient, texture enhancer and carrying agent for other ingredients. It is not a harsh or drying alcohol and also helps to prevent the product from separating into oil and liquid components

A Blend of Functional Cosmetic Grade Silicones - (Cyclopentasiloxane & Dimethiconol) derived from mineral components, silicones impart a soft silky feel to the hair & skin. They help to protect hair against heat and support protection. They are lightweight and have excellent spreading capability, offer less tackiness and conditions the hair & skin. They are used to help protect the hair fibres & add shine. Cyclopentasiloxane is used to help deliver & spread other ingredients to hair & skin. As it is a volatile silicone derivative, it evaporates upon application after delivering all the key ingredients that provide moisture and shine
