UNIQUE SELLING POINTS

- Handmade in Australia with individual love & attention to detail
- Australian Made fragrances
- Available in 23 beautiful fragrances
- Vase can be re-used
- Can last 4-8 months
- Non bleed fibre diffuser reeds

DIFFUSER CARE

1. Remove the cap from the Silk Diffuser Vase
2. Place the reeds in the Silk Diffuser Vase so that they are submerged in the liquid and resting on the base of the glass
3. Allow the Diffuser fragrance to absorb into the reeds for approx. 5-10 minutes
4. Remove the reeds from the Silk Diffuser Vase and flip them so that the dry ends of the reeds are submerged into the liquid and rest on the base of the glass.
5. When the exposed ends of the reeds become dry, repeat the above process for an instant hit of amazing Silk Aroma.
6. To extend the life of your Silk Diffuser, keep out of direct sunlight, UV light - heat and drafts
7. Want to try a different Silk Aroma? Go the Silk Oil of Morocco Website

Size: 200ml

FAQS

ARE THE SILK DIFFUSERS MADE IN AUSTRALIA? Yes

HOW LONG WILL MY REED DIFFUSER LAST? Reed diffuser oils have proved to last for months depending on the environmental factors such as the air conditioning, doors open and closed and heating among other factors around your home. The Silk 200ml Diffuser oil should last for about 4-8 months depending on the temperature at home.

HOW MANY MLS ARE THE DIFFUSERS? 200ml

HOW MANY REED STICKS DO WE RECIEVE? 5

WHAT ARE THE REED STICKS MADE FROM? Advanced fragrance technology Diffuser Fibre Sticks for fragrance diffusers. These new, synthetic Diffuser Fibre Sticks deliver improved diffusing performance compared with standard rattan/reed sticks. They are compatible with both oil base and water base diffuser liquids and are designed not to 'bleed' colour into the diffuser liquid when in use and are less likely to discolour, unlike the standard rattan/reed sticks commonly used in diffuser.

SAFETY INSTRUCTIONS

- The liquid contained within the diffuser bottle must always be kept away from flames or heat, Never swallow the diffuser liquid. If consumed, seek immediate medical attention. For external use only
- Do not allow the diffuser liquid to touch your skin or eyes. Always wash your hands after touching the product. Avoid direct contact with furniture, fabrics and finished wood surfaces.
- Keep out of reach of children and pets.
- Take appropriate care in disposing of any remaining liquid at the end of the diffusers life
- Toxic to aquatic life with long lasting effects
- This product may not be suitable for individuals who suffer from asthma or acute fragrance sensitivity if you experience an allergic reaction, discontinue use and consult a physician
- When handling the reed diffuser please grasp by the bottle, grasping by the neck or collar may cause spillage
